

Food Safety Policy

We are **Uruwala Estate**, strive to be recognized as a best **Cinnamon Processing Company**. We also strongly believe that food can be assured through the combined effort of all parties participating in the food chain.

Strong management commitment is shown through the provision of **Required Infrastructure Facilities, Equipment and Human Resources with proper Training**.

Food Safety Management System is **implemented with the support of appropriate documentation and records**.

All identified hazards are controlled through the implementation of hygiene control operations and HACCP plans, satisfying applicable food safety requirements, including statutory and regulatory requirements & with mutually agreed food safety requirements of customers and consumers.

Implemented food safety management system is checked periodically through planned verification, internal / external communications and management reviews with a view to continual improvement of the FSMS. **Food Safety Management System is periodically updated.**
